David,

We've corrected errors/typos and hopefully all the numbers add up now. We've also addressed organic compounds as HAPs. Your spreadsheet has been modified as well, hopefully you'll find this helpful. Attached you will find the following; let's see if these items will get the job done for us!

1. Your spreadsheet with our updates in RED.
2. Revised FORM PTE's
3. Revised FORM EMISS's for Unit2, Unit3, Unit4 and Drum Crusher
4. Revised Page 18 from the Narrative.

Let me know if you need anything else.
